

Religious Formation Program Information for September

**Register
NOW!**

To insure continuous Religious Formation while also ensuring the safety of your children and their catechists, we have developed a program for the fall semester that allows instruction at home on a schedule that works for your family.

Registration and re-registration will be held by email. We will ask you to provide the two best ways to communicate with you or your student.

Arrangements will be made for families to safely pick up materials for their children.

Lessons will be assigned weekly. Students can work (with their parents) at a time convenient for them and then check in with their catechist each week.

Special attention will be given to children who would have received Eucharist in May, to children preparing for Reconciliation and Eucharist and to seventh and eighth graders preparing for Confirmation. More information regarding Sacraments will be available as the situation becomes clearer.

Thank you in advance for the wonderful cooperation that you have always shown.
